YZ250 Monster Energy Yamaha Racing Edition

Challenge for the win

There's a race winner inside every one of us just waiting to escape. And although only a small group of motocross riders will ever make it to the very top – with the YZ250 Monster Energy Edition you are one step closer to getting there. Not only that but you look like you belong there too!

This YZ250 2-stroke already has a reputation as one of the quickest and most agile handling motocross bikes – and with its slim bodywork and balanced ergonomics this highly competitive package gives you a high degree of chassis control and agility. Its industry-leading suspension features idealized low speed damping characteristics for sharp handling, and the high-performance front calliper delivers outstanding braking performance.

- Monster Energy Edition looks
- Slimline bodywork
- Powerful braking system
- Industry-leading suspension
- High-efficiency air intake
- Race-bred ergonomics
- 250cc YPVS 2-stroke engine
- Lightweight aluminium chassis

YZ250 Monster Energy Yamaha Racing Edition

A high efficiency air intake and specially developed exhaust system sharpen the power output of the explosive 250cc liquid-cooled YPVS engine – and the YZ250 Monster Energy Edition's factory team looks highlight the racing DNA, making this the ultimate two-stroke for every rider who lives for motocross.

Winning formula

The YZ250 Monster Energy Edition is the motocross bike you need to take your racing to the next level. As well as the winning DNA that comes with the legendary YZ250 two-stroke, you're also getting exclusive Monster Energy graphics and colours, giving you the performance and style you need to succeed.

The combination of a high-powered 250cc two-stroke YPVS (Yamaha Power Valve System) engine, lightweight aluminium chassis and one of the best suspension packages in its class makes this bike like no other and one of the most exciting motocross bikes you'll ever ride. In its time it's won everything worth winning in motocross, supercross and freestyle MX. Now it's the sharpest YZ250 ever!

The slimline bodywork makes for a dynamic and ultra-modern look – and the flat seat enables easier bodyweight shifting when accelerating, cornering or braking – giving you a high degree of control. While the powerful front braking system and suspension damping characteristics help to cut lap times.

YZ250 Monster Energy Yamaha Racing Edition

Monster Energy Edition looks

Inspired by Yamaha's Monster Energy racers, the YZ250 Monster Energy Edition sports special factory team colours and graphics making this the ultimate 250cc 2-stroke.

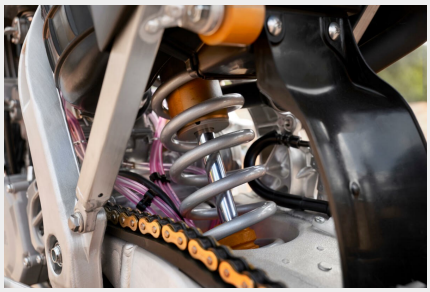

Slimline bodywork

The slimline bodywork gives this bike a sharp and athletic look. The narrow fuel tank and radiator shrouds give a compact riding position that enables you to shift body weight rapidly for the highest levels of cornering agility.

Powerful braking system

The high specification front brake set up features a 270mm diameter disc and a rigid twin-pot calliper with large diameter 25.4mm pistons that ensure optimum braking performance. A lightweight 240mm rear disc minimizes unsprung weight reduces weight while delivering instant stopping power with plenty of feel.

Industry-leading KYB suspension

Yamaha's SSS (Speed Sensitive System) front forks are second to none. And the YZ250's industry leading suspension delivers plush low speed damping for more effective cornering performance, giving you a real advantage. Whatever the type of track, the YZ250's sophisticated front and rear suspension makes a real difference and gives you the ability to outhandle the opposition.

High-efficiency air intake

Yamaha's SSS (Speed Sensitive System) front forks are second to none. And the YZ250's industry leading suspension delivers plush low speed damping for more effective cornering performance, giving you a real advantage. Whatever the type of track, the YZ250's sophisticated front and rear suspension makes a real difference and gives you the ability to outhandle the opposition. The YZ250's side panels, rear fender, seat base and rear frame have all been specially developed to enhance the flow of fresh air entering the airbox to ensure optimum intake efficiency. Together with a high efficiency exhaust system this system gives you holeshot-winning acceleration and explosive power right through the rev range.

Race-bred ergonomics

With its slim tank, narrow radiator shrouds and flat seat the YZ250 Monster Energy Edition is one of the most agile dirt bikes. As soon as you get moving on this legendary two-stroke you'll discover how easy it is to shift your bodyweight for a high degree of control when braking, cornering or accelerating.

Motore	
Motore	Raffreddato a liquido; 2 tempi; Monocilindrico
Cilindrata	249 cc
Alesaggio x corsa	66,4 x 72,0 mm
Rapporto di compressione	8,9 - 10,6 : 1
Lubrificazione	Premix
Frizione	in bagno d'olio; dischi multipli
Accensione	CDI
Avviamento	A pedale
Trasmissione	Sempre in presa; 5 marce
Trasmissione finale	Catena
Alimentazione	Keihin PWK38

Telaio	
Telaio	Semi-doppia culla
Sospensione anteriore	Forcella a steli rovesciati
Escursione anteriore	300 mm
Sospensione posteriore	leveraggi progressivi; Forcellone
Escursione posteriore	315 mm
Freno anteriore	Disco idraulico singolo, Ø 270 mm
Freno posteriore	Disco idraulico singolo, Ø 240 mm
Pneumatico anteriore	80/100-21 51M a camera d'aria
Pneumatico posteriore	110/90-19 62M a camera d'aria
Inclinazione canotto sterzo	27°40'
Avancorsa	122 mm

Dimensioni	
Lunghezza	2.185 mm
Larghezza	825 mm
Altezza	1.290 mm
Altezza sella	975 mm
Interasse	1.485 mm
Altezza minima da terra	360 mm
Peso in ordine di marcia (compresi serbatoi olio e carburante pieni)	103 kg
Capacità serbatoio carburante	7 litri
Quantità olio motore	n/d
